Dear Parent

Just a quick word to let you know that tomorrow night, Friday 21st Sept there are a series of events taking place all over the country as part of the culture night celebrations. We at MCnG are delighted to be a part of all this and in that capacity we are hosting two separate events.

At 7pm Mr David Clarke will be putting his adult string orchestra through their paces and this is to be an open rehearsal which is likely to be of interest to anyone that is curious about what goes into working within an orchestra or indeed to anyone who might like to become part of this wonderful body of players.

At 8pm we are hosting a free public concert. For this event we will be treated to some music on Piano, Guitar and Clarinet. Mrs Rosemary Clarke and her son Jimmy will perform some beautiful piano duets by Schubert, Schumann and Debussy. Mr Tom Portman will then serenade us with his Guitar playing covering a number of original compositions and the works of acoustic masters like Pierre Bensusan. To close the sumptuous Clarinet playing of Mr Robert Solyom, accompanied by Mrs Elena Gekker who will perform works by Saint Saens and Weber.

Both events take place on the ground floor in St Mary's College and will be signposted. Both events are completely free and open to anyone to attend. The 8pm concert is likely to fill rapidly due to the smaller size of the room so we do encourage those attending to get there early and get a good seat.
